For the past 15 years, I have had the privilege of working in roles that have refined my web development skills. I have successfully managed numerous complex web development projects from inception to completion. I excel in fast-paced environments that demand strategic thinking, collaboration, and adaptability. I take pride in my ability to align teams with the company's vision, manage project scopes and timelines, and deliver high-quality solutions.

TECHNICAL SKILLS

Sitecore, React.js, Vue.js, Angular, JavaScript, jQuery, Node.js, CSS3, HTML5, Git, GitHub, Bitbucket, API integration, Bootstrap, WordPress, PHP, MySQL, Responsive Design, Cross-Browser Compatibility, Performance Optimization, Agile Methodologies, RESTful Services, Continuous Integration/Continuous Deployment (CI/CD), VWO (Visual Website Optimizer), Google Tag Management, Google Analytics, Email Marketing, and SEO
